Subject: Amendment to Gift Report 4/16/09

Charlie,

Please allow the email, below, to serve as an amendment to the gift report we filed April 16, 2009. The gift was to cover expenses to attend a conference so it was not possible to determine the actual amount until the travel was completed. At the time we filed the report, the estimated gift amount was \$3,376.06. However, the actual amount of the gift was \$3073.11, which is slightly less than what was reported to your office.

I would be happy to answer any questions you may have.

Kristin
I am attaching scanned copies of the travel costs for Helenjean Walleser and Janna Martin to go to the IAIABC All Committee Conference that the Iowa Workers' Compensation Advisory Committee paid for. You wanted the exact amount to turn into the Ethics Committee. Helenjean's total amount was \$1577.77 and Janna's total was \$1495.34 for a total of \$3073.11. If there is anything more that you need please let me know.
